APPRECIATION

I give special appreciation to my wife **MRS NGOZI OLAYERI** for her assistance in ensuring that this book is published and our children that play around us to encourage us day and night.

Also, this manuscript wouldn't have seen the light of the day, if not for the spiritual encouragement I gathered from my father in the Lord, **Dr. D.K. OLUKOYA** who served as spiritual mirror that brightens my hope to explore my calling (Evangelism).

We shall all reap our blessings in heaven but the battle to make heaven is not over, until it is won.

LANGUAGES USED IN THE BOOK

You are welcome to warfare language in this book. Language, such as fall down and die, be roasted by fire, wither, summersault and die etc. are used by spiritual soldiers or warriors facing spiritual battles against powers of darkness.

Who are your enemies? Ephesians 6:12 says it all. ***“But we wrestle not against flesh and blood, but against principalities, against power, against the rulers of the darkness of this world, against spiritual wickedness in high places”, not*** your step mother, your parent, in-law or neighbour as presumed by people. Hence, our enemies are powers that inject poverty, failure, sicknesses, diseases, sorrow and tears into a life.

The Holy Bible supports strict action against them. Exodus 22:18 says ***“Thou shall not allow a witchcraft to live*** while. Matthew 11:12 says ***“The kingdom of God suffereth violence and the violent taketh it by force”*** Hence the use of violent language.

In battle you don't settle for less but complete victory. Never accept substitute for original.

Therefore fire on; after all it is fire for fire!

HOW TO USE THIS BOOK

This book is primarily written to serve the purpose of counseling, prayers, understanding and love needed by couples, because a happy home is a sign of successful marriage.

Also, you must know how to claim and retain what God gives you, called destiny. You must not be robbed!

Brethren, your case is not close until you decide to close it. Don't give up, fight on in faith, you are born to win. Be violent in prayer. The degree of your violence in prayer determines the victory that awaits you. It is time you count spoils not loss, triumph not defeat.

CHAPTER ONE

THIRTY GOLDEN RULES FOR A HAPPY HOME

Love is a fabric that never fades, no matter how often it is washed in the waters of adversity and grief. Let your marriage experience harvest of blessings through love and discipline. Build an ideal marriage; one in which two people love, cherish and encourage each other through all the troubles caused by it.

Love is blind while marriage is an eye opener. Marriage is not bed of roses because the most difficult years of it are those following the wedding. It is like the army-many complain, but you'd be surprised how many re-enlist.

Empower your marriage with love and understanding. A broken home is the world's greatest wreck. **Winston Churchill** said **"My most brilliant achievement was my ability to be able to persuade my wife to marry me"** Wonderful!

Achieve great height in your marriage by absorbing the following thirty cardinal rules needed to build a prosperous home, for ***"If a house is divided against itself, that house cannot stand"*** Mark 3:25.

RULE 1: BE A BORN AGAIN CHRISTIAN.

The cardinal rule for a Christian couple is to be born again. Never should new wine be added to old wine nor should couples apply the attitude of one leg in, one leg out. This is dangerous to divine upliftment. Brethren, know that a Christian is not renovated like an old mattress, for the new birth is not a reformation or a renovation but a new born creature, for it is written "Therefore, if anyone is in Christ, he is a new creation, the new has come" 2Cor. 5:17

RULE 2: HAVE FOCUS ON GOD'S PROMISES FOR YOU.

Weariness is a spiritual sickness while prayerlessness, is a sign of marriage failure. Never allow any problem facing you to override you, for problems are common to men; solutions are common to believers. Whenever you quit studying the problems and start studying the promises of God for you, you are making a head way. ***"What you see determines what you get. As long as you keep on seeing problems, you can never see good"*** Hebrew 12:1-2.

RULE 3: MAKE BEST USE OF TIME

Take time to think-it is the source of power

Take time to play - it is the secret of perpetual youth

Take time to read-it is the fountain of wisdom

Take time to pray-it is the greatest power on earth
Take time to laugh - it is the music of the soul
Take time to work- it is the price of success
Take time to be friendly- it is the road to happiness
Take time to give - it is too short a day to be selfish.

RULE 4: BUILD YOUR HOME ON A SOLID ROCK.

It is important for couples to build their home on a solid Rock-The Rock of Ages. A home built on sandy foundation constitute moral deficit and if attacked may crumble. Hence, let sound moral standard and prayerfulness be your spiritual light.

RULE 5: BE HOPEFUL AT ALL TIMES

Upheavals may be experienced in marriage but it shouldn't be allowed to erase the joy and laughter needed at home. Don't lose to Satan, conquer him. You may have had a knock down in life, but never accept a knockout. ***“Challenges are not meant to break you but to build you, His grace will always be sufficient for you”*** 2 Cor. 12:19. Anytime you succeed, ***“You are more than a conqueror”*** Romans 8:37.

RULE 6: LOVE AND FORGIVE OTHERS.

Paramount to being born again is to love and cultivate the culture of forgiveness. Couples are advice to love and forgive each other in times of misunderstanding. Love without return is like a question without answer. Love and forgiveness may be costly to practice but they are the price of good relationship. To forgive is not to lose the victim off the hook alone but releasing yourself from worries. ***“For if you forgive men when they sin against you, your heavenly father will also forgive you”*** Matthew 6:14.

Couples should further make it a golden rule not to keep malice, grudges or mistakes made by others against them. Refusing the past to pass is enough to rob you of seeing the future. Forgiveness saves the expense of anger and the cost of hatred. He who cannot forgive breaks the bridge over which he himself must pass. Do forgive and forget ugly issues for whenever this is done, it is recorded as bonus for you in heaven. Realise that each time you let go someone, God will let you into his abundance of mercy. Unforgiveness is a sin, it cast you out from the presence of God.

RULE 7: WORK AS A TEAM

United we stand, divided we fall. When one lights the fire the other fans it. All

your strength is in union. All your danger is in discord. A lot of people are lonely because they build walls instead of bridges.

RULE8: PROVOCATION MAY LEAD TO PROMOTION

Couples may experience provocation through friends, neighbours or In-laws. They have to keep calm, for there is a saying that those who provoke you may end up in promoting you. Let the sayings in James 1:19 which says ***“Let every men be swift to hear, slow to speak slow to wrath”*** be your watch word, for Proverbs 14:17 says ***“He that is soon angry dealeth foolishly”***. By this in your everyday life ***“See every provocation as promotion”*** I Cor. 13:15.

RULE 9: APPLY WISDOM AT ALL TIMES

Apply wisdom when counseled. Have a deep thought before you speak. He who talks without thinking runs more risks than he who thinks without talking.

A fool tells what he will do; a boaster tells what he has done; a wise man does it and says nothing. From the errors of others, a wise man corrects himself. A fool says, “I can’t”, a wise man says, “I will try”. Caution is the eldest child of wisdom A small decision now can change all your tomorrow.

RULE 10: AVOID HOME WRANGLINGS.

Quarrel should not be given breathing space at all in your matrimonial home for it breeds disharmony and separation among couples. Love is what changes a house to a home, for the size of the house never indicate the quality of love found within. What a couple needs is a home not a house. Proverbs 25:24 says, ***“Better to live on a corner of the roof than share a house with a quarrelsome wife.”***

There was a case of a brother who had misunderstanding with his wife. The wife in anger sought the help of an herbalist who gave her an evil powdery substance to apply on her husband’s food. She did it as directed. Shortly after taking the meal, her husband left home on an Israelite journey by leg from Sagamu a town in South Western part of Nigeria to his home town in Ondo State. Fortunately for this brother, one of the driver of his company saw him trekking in a thick forest along Benin-Ore express way. It took a combine team of friends to locate and overpower him for treatment. The wife of the man later confessed that what she wanted from the herbalist was to make him the tail and she the head of the house!

RULE 11: DO SMILE ALWAYS

Couples should always smile because the cause of a smile can set a lot of things

straight. A smile is God's cosmetic, a wrinkle that should not be removed. It improves face value.

A smile confuses an approaching frown. A laugh is a smile that bursts. It takes seventeen muscles to smile and forty-three to frown. The fruit of love is service. The fruit of service is peace. And peace begins with a smile.

RULE 12: DESIRE GOOD THINGS ALWAYS

Wife, as you desire good for yourself so shall you desire good for your husband, same measure is expected of husband as well. Your desire is the platform for God's manifestation of purpose in your life. Hence, your strongest desire, talents and opportunity will reveal God's calling and dream for your life.

RULE 13: NEVER TRY TO PLEASE EVERYONE

God's guidance is paramount to you when giving out. Avoid occupying your home with relations and friends. Never borrow to satisfy others at your expense. Apostle Paul knew this when he said, ***"For if I yet please men, I should not be the servant of Christ"*** Galatians 3:10.

Satisfying people knows no boundary. An illustration can be likened to a brother, who out of love formed the habit of slaughtering fowl every Saturday during the stay of his mother with him. The dividend of love expected in return was paid back with evil arrow. What happened was that immediately his mother left them for village

, she went into their meeting and report her daughter-in-law of frivolous accusations. Unfortunately for her the arrow she fired backfire and consumed her. Brethren, I prophesy into your life that as you read on, every arrow that might have been fired against you shall go back and locate the sender, in the mighty name of Jesus. Amen.

RULE 14: AVOID DISOBEDIENCE TO GOD.

Couples should note that there is something which is worse than living with a mate in disharmony. It is living with God in disobedience, for the Lord magnified His word above His name. ***"For you have exalted above all things your name and your word"***. Psalm 138:2.

RULE 15: SET GOOD STANDARD

Dear couple, beware that no circumstance, no person or combination of persons can conquer you as long as you don't destroy your prospect. Your family is what they are, by the standard you set. Apostle Paul said "I am what I am by the grace of God".

Good understanding in a home may reveal satanic power. There was a case of a family that employs a “spider spirit” housemaid. The situation is that the couple fights without reason. As Christian, the couple decides to have joint fasting and prayer program for three days. This action paid off almost immediately as the housemaid made unexpected revelation that she do turn to spider and stay in the ceiling of the house where she will fire her arrow at the couple. The arrow, she said sparks quarrel between them. This is why in my Church, the spirit of spider and cob webs are seriously addressed.

RULE 16: WELCOME NO SATANIC VOICE

Don’t allow satanic voice or advice to reign in your home, for people who listen to what devil says never hear what God says. Know that faith and fear comes by hearing. While faith comes by hearing the word of God, fear comes by hearing the word of the devil. Satan’s mission is to attack the mind and choke the word of God in you.

RULE 17: BUILD A GOOD FAITH

Couples should always build wall of hope around themselves. They should not lose hope at any point in time, for when hope is lost, faith becomes eternally barren. Hope is the leg that gives faith motion, for where there is no faith situation becomes hopeless.

RULE 18: FULFIL YOUR JOURNEY ON EARTH

Lovely couple, realise that life is a journey while marriage is just a fragment part of it. Let the four eyes of both of you be divinely glued together as one eye. Matthew 6:22 says ***“The eye is the lamp of the body. If your eyes are good, your whole body will be full of light”***.

RULE 19: PRAY ALWAYS

Couples should pray without season and have the belief that their prayers have been answered according to their petition.

Whenever you pray, use the word of God to back it up scripturally, for God is His word. If this is so, can God fail Himself? No

RULE 20: MAKE SAVINGS A TASK

Couples should discipline their taste in order to build savings, for it is written ***“and thou shall lend unto many nations, and thou shall not borrow”*** Deut. 28:12B. Worry can destroy the foundation of marriage, hence couples should wisely handle the 3F:-

- (a) **FOOD:** What to eat or drink
- (b) **FUTURE:** what tomorrow will be
- (c) **FASHION:** what to put on.

“Therefore I tell you, do not worry about your life, what you will eat or drink or about your body, what you will wear... who of you by worrying can add a single hour to his life? Matthew 6:25-27.

RULE 21: AVOID ALCOHOLISM.

Boozers are losers! Why battle your way to the top and battle your way to the bottom? If you avoid drinking, you shall get the followings:- the head is clearer, the health is better, the heat is lighter, and the purse is heavier.

RULE 22: AVOID PRIDE

In your closet or among people treat pride as a curse. Iron out your differences without external influence. Those who become full of themselves become fooled out of life because pride doesn't only have the ability to destroy one today but amputate ones future. ***“If anyone thinks he is something when he is nothing, he deceived himself”*** Galatians 6:3. ***“Pride leads to disgrace, but with humility comes wisdom”***. Proverb 11:2. Humility goes thus, to be humble to superior is duty; to equals, courtesy; to inferiors, nobility; to spouse, love. Therefore, stay humble or else you stumble. Don't let your pride become inflated; you may have to swallow it someday.

RULE 23: AVOID ANGER

Anger and anxiety if given an opportunity to reign in one's life will not only reduce and lock up spiritual power out of one's life, but will also play the role of spiritual power neutralizer.

RULE 24: DON'T FAIL TO PLAN

Your future begins, with whatever is in your hands today. Pray towards your goal for when you fail to plan, you are planning to fail. Let love, prayerfulness and diligence be your watch word.

RULE 25: AVOID BAD HABIT

Bad habit is an ingredient of home destruction, therefore live like a Christian in Christ and not like a criminal in Christ. The law which says don't womanise or smoke do stand, for they lead one into ungodliness, poverty, hatred, health hazard, constant sorrow, and untimely death. These evils do spread cancer into ones marriage.

RULE 26: USE SAME BED, SAME ROOM

Wisdom surpasses power as light do to darkness. No matter how large your home or the numbers of rooms in your apartment, ensure to use same bed and room with your partner.

This reduces suspicion and improves love among couples.

RULE 27: CHECK WHAT THEY WATCH

Your children are your mirror, educate them on what to watch. Ensure their centre of interest to be, educative programs. Children should not be allowed to watch demonic films, nude films or visit cinema houses. Parents who claim to be occupied with work against the supervision of their children are grooming what may consume them in the nearest future. As children watch satanic movies, harmful and corrupt practices are transmitted into their minds.

RULES 28: AVOID PASSING JUDGEMENT.

Most family passes judgment on neighbors, family friends, in-laws and relatives against the will of God. This is sin, for the Lord said “thou shall not put thyself in a position of a judge”. Some families form the habit of assessing and passing judgment against their Pastors or General Overseer. This is dangerous. Instead pray for them to overcome principality and powers that may be assigned against them.

RULE 29: MARRIAGE CORRECTION

It is unbiblical to live as couple and have children without proper marriage. If you still indulge in this type of marriage please meet the marriage committee of your Church so that right step may be taken.

There was a case of a brother whose wife denied him of sex and when he was annoyed, his wife simply told him “I am fed up of committing adultery”?

RULE 30: PAY YOUR TITHE.

Pay your tithe always for it is the commandment of God. To obey is better than sacrifice. Your tithe is the 10% of your income. When you pay it, things will not be tight for you, your progress shall not be tied to a specific place or level. Also, it will enable you not to tie the hand of God, making Him a spectator over your situation. Hence, pay your tithe and experience open heaven of abundance, blessing, joy, success and glory.

CHAPTER TWO

THIRTY WISE SAYINGS OF MARITAL SUCCESS

Whenever the rainbow appears in the clouds, I will see it and remember the everlasting covenant between God and all living creatures of every kind on the earth - Genesis 9; 16; **THE LORD ALMIGHTY**

1. Couples should share love that makes rainbow i.e. presence of God to be seen in their lives.

2. Do not find fault, find a remedy - **HENRY FORD**

By this, your marriage shall enjoy harvest of progress.

3. No pain, no palm; no thorns, no throne; no gall, no glory;

No cross, no crown -**WILLIAM PENN**

You cannot eat your cake and have it. It is what you sow you will reap.

4. If you are not properly married, you have stolen a wife- **DR. D. K. OLUKOYA**

CHAPTER THREE

AVOID 50 - 50 MARRIAGE SYSTEM

Satan in his clever character produce a counterfeit of marriage. The world calls it “Shacking up”. It is a living - together arrangement.

There is no bond, no commitment and it is not characterized by God- kind of love. It is “sharing for convenience’ arrangement.

This type of relationship experience stress when it becomes a 70-30 or 60-40 sharing arrangement. The love equational value as can be seen is in balance. A conditional love has set in.

God’s concept of marriage demands a 100 - 100 requirement. Both parties give all into the relationship. Thus, “shacking up” offers no security or continuity in marriage as trust is not rooted in such marriage. Marriage is a covenant not a joint obligation. No wonder the Bible says, ***“He who finds a wife finds a good thing. And obtains favour from the Lord”*** Proverbs 18:22.

The central basic requirement for marriage is Agape Love, the unconditional love, the God-kind love. The Bible supports this in Ephesians 5:25 ***“Husbands, love your wives, just as Christ also loved the Church and gave himself for her”***.

Marriage is God’s idea, so whosoever revolt against it, revolts against God. And the Lord God said, ***“It is not good that man should be alone; I will make him a helper comparable to him”***. Genesis 2:18 ***“Therefore a man shall leave his father and mother and be joined to his wife and they shall become one flesh”*** Genesis 2:24.

Cement and divinely glue your marriage with the blood of Jesus. Companionship represents one of God’s purpose for marriage.

“Two are better than one because they have a good reward for their labour. For if they fall, one will lift up his companion. But woe to him who is alone when he falls. For he has no one to help him.

Again if two down together, they will keep warm: but how can one be warm alone?

Though one may be over powered by another two can withstand him. And a threefold cord is not quickly broken Eccl. 4v9-12.

Good marriage receive benefits or enhanced productivity; better resistance against destructive forces, added strength and all other benefits that would not have been available to a broken home or a single person.

Avoid satanic attack against our marriage ***“Marriage is honourable among all,***

and the bed undefiled; but fornicators and adulterers, God will judge” Hebrew 13:14.

Marriage bestows honour on you. It is a sacred pedestal, for God shows His favour on the union.

There was a case of a brother who out of beauty sheltered a lady without the knowledge of the Church. Unknown to him, this lady was a queen of the coast. At midnight she will wake up and go to the bathroom where she will turn to a big fish and start swimming in the bath. This brother noticed her habit and decided to know what is really going on. Alas, he couldn't believe his eyes, right there in the bath was a big tail of a fish. In fear, he ran to his room.

The next day he went to Church and explain it to his Pastor, who later delegated three prayer warriors to his house, they were locked up in a room for three days with dry fasting and prayer. On the night of the third day the sister went for her bath as usual. She turned into a demonic fish (half human being and half fish).

The three warriors came out rebuked and decree against this “demonic fish”. Alas, she disappeared; no one set eyes on her again either in the Church or on the street.

What is most amazing is that all her clothes, shoes and belongings in the room disappeared as well. This shook the brother who pleaded for more prayers and sanctification of his apartment with anointing oil before he could sleep in his house. Today he is happily married.

Brethren beware of beauty, cash and strange help. It can be a trap.

CHAPTER FOUR

HOUSING THE ARK OF GOD

WHAT IS AN ARK? The Ark of God was a special box made of acacia wood and overlaid with gold, on top was the atonement cover. It was placed in the most Holy place of the tabernacle and later in the most Holy place of the temple.

WHAT DOES IT CONTAIN? It contained a jar of manna; Aaron's staff that had budded, and the two tablets on which were inscribed the Ten Commandments.

WHAT DOES IT SYMBOLISE? It symbolizes God's presence in the middle of the people, while blood sprinkled on the atonement cover God's forgiveness for the sins of his people through sacrificial blood of Jesus, the perfect High Priest, offered himself as the perfect and final sacrificial who atone for all sins of all time, thus replacing the sprinkling that could not deal effectively with sin.

Other importance of the ark is that it brought unity among the Israelites. It shows the might of the Lord and save them from danger.

HOW CAN THIS ARK BE IN MY HOUSE?

The question, "how can I house the ark of the Lord in my house"?, may ring bell in your heart. The answer is simple. What you need to do is to arrange or allow a Christian house fellowship in your house.

By this, abundance peace shall reign in your house while the presence of the Lord makes your apartment a spiritual terror against giants and evil forces within and without.

Your excuse may be that your apartment is too small to contain people or that you are already attending one elsewhere. Good, the solution is simple. Continue with your fellowship where you are presently, but ensure that morning devotion and night prayers before retiring to bed are carried out in your apartment daily. If this is done, the Ark of the Lord is in your house.

No God, no peace, know God and you shall know peace. Prayer is the weapon that anchors Christians to God. In both day and night pray without ceasing, in the morning, prayer serves as the key that opens to us treasures of God's mercies and blessings, while in the evening it is the key that shuts us up under his protection and safeguard.

No wonder Martin Luther said "The less I pray, the harder it gets, the more I pray, the better it goes". Prayer is not learned in the classroom but in the closet. Power for victory in spiritual warfare is found in prayer. If a town refuses to worship God she fails spiritually and if a country refuses to believe in the

existence of God, she breaks. Years back U.S.S.R. an Eastern bloc country doesn't belief in the existence of God. She ended up paying dearly for it. The country break into fragments and loses her prowess. Today she is not regarded as a world power as before. No one or country fight God and succeed.

Your home can be a spiritual world power, strong enough to give knockout to satanic forces if only you are serious with God. Take the case of the three Hebrews in Babylon as an example. They trust in God and conquer. Hence, be prayerful, guide and train your children and ensure persistent digestion of the Holy Bible in your home.

I pray, as you read this book and pray with it, the Ark of the Lord which did wonder in the life of Obed-Edom shall not depart from your house. Amen. There is no one who trade with God and fail or regret. King David said in Psalm 37:25 "I have been young, and now am old; yet have I not seen the righteous forsaken, nor his seed begging bread."

The secret behind the Ark of God in a house is unlimited. The bottom line is that such house becomes a home filled with God's glory and presence. Other spiritual and physical benefits include foundational healing, an end to lack and an end to sorrow and waste. Spiritual direction, vision accomplishments, paralysis and destruction of witchcraft powers over one's destiny, home spiritual growth and treasure building are paramount.

Our Lord Jesus opposed divorce, so don't do it, for it is a sin; while the wages of sin is death and eternal hell fire. I pray that loss of flesh shall not lead you to hell fire where people gnash their teeth and live in sorrow. Have focus of paradise where there is abundance of joy.

Your house will surely become a threat to Satan in as much you are married to Jesus. Your prayer life shall confuse powers of darkness while your model of living shall baffle your enemies. The moment one live a blameless life he or she becomes an antagonist to Satan because whoever is for God is against Satan.

Beware of strangers such as evil rat, cobweb, evil spider, evil housemaid, evil relation or unfriendly friends. There was this case of a family who was attacked by evil rat. Unknown to them, there was this evil visitor (a big rat) in their apartment. The attack was that whenever the newly wedded couple wanted to make love, the organ of the husband refuses to "wake up". This was not so before he married. This happened for six months before someone told them to go for deliverance. On the night of the third day, when he was undergoing deliverance, the junior brother noticed that a rat was disturbing his quiet sleep, so he decided to kill it at day break. Alas, when it was eventually found, it was as big as a rabbit and whitish in colour and fearful. He killed and burnt it. Nine months later naming songs echoed in their apartment. Praise the Lord;

Alleluyah.

Rat incidence is common in our homes but we take it lightly. Rats are meant to live in the bush not in your dwelling place. Or is your apartment a shrine, an altar or a bush? If not, take anything for granted.

To counter this type of situation I advise you to pray in a loud voice like this. By the divine power of God and fire of the Holy Ghost. I command every power of wickedness troubling my house, my marriage, my career and my finance to be troubled, be exposed, be disgraced and be defeated in the name of Jesus. Satan you shall not write the last chapter of my marriage for I am not your candidate. May your program against the foundation of my marriage be shattered, in the name of Jesus.

I command every spiritual nakedness, physical nakedness, financial nakedness, material nakedness fired against my marriage to back fire by fire. Thou satanic marketers, marketing and advertising my family for evil, summersault to your grave and die. Ark of the Living God locate me and my household and dwell in it forever.

Anointing of Holy madness and Holy violence to subdue and destroy works of darkness in my life and household fall upon me for spiritual and physical breakthrough. Let new wells of blessing, of abundance, peace and joy spring up and fill every area of my household in the mighty name of Jesus.

O Lord of Israel, trouble those who trouble my Israel and turn their plan to shame. By the power that revived Obed - Edom's shattered and hopeless life, anoint my house with fresh anointing oil of love, progress, and abundance in the name of Jesus. Amen.

Brethren, the above prayer is good and heart touching. One thing you need to do is to be prayerful and sin no more.

CHAPTER FIVE

CONQUERING IMMORALITY

The Oxford dictionary defines immoral as contrary to morality, wicked and evil. This means it is an encroachment to marriage.

Also, immorality can be defined as a way of perfecting immoral act that may affect marriage. It is a satanic network design to pull down marriage. It also portrays un-seriousness in the life of those involved.

Immorality involves lust for flesh, sex outside marriage, masturbation, homosexual, soul tie, smoking and drunkenness. These are evil ways of life, and the Bible is against it. **1 Corinthians 6:9 says “Do you not know that the wicked will not inherit the Kingdom of God? Do not be deceived: Neither the sexually immoral nor idolaters nor adulterers nor male prostitutes nor homosexual offenders”.**

God wants everyone to keep the sexual side of our nature untainted from sin. The Bible warns against such sexual sins as adultery, incest, and sex with animals, prostitution, homosexual, fornication and every filthy talk. To do it excludes one from the kingdom of God. **“Put to death, therefore whatever belongs to your earthly nature; sexual immorality, impurity, lust, evil desires and greed, which is idolatry” Colossians 3:5.**

It is not only its sinful act the Lord prohibits, the Bible is against lust and any sexually impure thoughts, **“For out of the heart come evil thoughts, murder, adultery, sexual immorality, theft, false testimony, slander.” Matthew 15:19.**

How does it begin? The eyes, the mind and the body start this operation. No one goes into immoralities overnight, the seed must be sowed. Action starts immediately the eye transfers it to the brain. Adulterers pass through sleepless night before they perfect their acts. Several immoral calculations pass through the mind and before decision is taken.

This act does not affect males alone, but females as well. The act is an in-built one and unless it is rebuked it can ruin a life. One may fall victim through satanic gift, satanic arrow, inability to pray or fast, lust for flesh, poverty or refusal to preach the word.

This reminds me of a man of God, who never knew his ministry was targeted for destruction. One day, as he drove to Lagos, a lady waved him down at Ore, a town in Ondo State in Nigeria. The lady approached him and said “Pastor I am going to Lagos, help me”. He beckoned her in. As she sat in the car, the Pastor asked her, “Are you born again”? The lady answered in affirmative of, “No”.

From there on, the Pastor preached the word to her, and when they approached Lagos, he gave her the address of his Church Headquarters. So they parted.

The surprising part of the story is that, this lady showed up after four years and have this to tell the Pastor “I thank you sir for saving my life”. This time the Pastor couldn’t recognize exactly where they last met; neither did he know her again. But she continued, “I was the lady you helped for a ride at Ore four years ago. Infact, I was planted their by my partners in the evil world to ruin your ministry and calling. But God saved you on that day. You preached the word almost immediately I entered your car, if not I would have manipulated you so that we would both end up in a hotel. There, I would drain your power empty”.

This confession sdurprise the Pastor as he couldn’t believe his ears. In fact, God really saved him. This is how men of God fail in their calling. These types of ladies are all around to drain victims dry. No wonder Job said, **“I made a covenant with my eyes not to look lustfully at a girl” Job 31:1**. To accomplish your calling and keep your marriage intact, always pray ***Psalm 119:37 “Turn my eyes away from worthless things, preserve my life according to your word”***. This verse encompasses your spirit, soul and body.

Another question is among whom does immorality take place? The answer is simple. It has no boundary, in that, it cut across age and sex. For example, a young boy or a young man may have illicit affair with an old woman, old enough to have him as son. If asked why she did it, she may say the boy is **“Omo elejetutu”** meaning, the boy has youthful blood. This also goes to old men going out with girls young enough to be their daughter.

The act is a polluted circular problem in the society as they believe it is enjoyment not sin. Imagine a twenty-year-old boy having sex with a fifty year old woman. How can such survive his race on earth? Or a girl of sixteen years old, going out with a seventy years old man, all for money. If asked why do you do this? They will say **“mon jaiye ori mi ni”**, meaning “I am enjoying myself”. And so they will enjoy themselves to hell fire.

The worst of it all is that those involved in the act never know until they meet their waterloo. There was a case of an **“araldite lovers”**, who were involved in illicit affair (a tenant and his landlord’s wife). The landlord warned him severally but turn deaf ear to him. The landlord took drastic action by seeking the help of a herbalist who prepared charm for him.

Only God knows how the charm was applied. The result was that on this faithful day, the tenant in his Romeo and Juliet manner went in to the landlord’s wife. They have it as usual. Alas, after sex they couldn’t separate but glued together. They were rushed to the hospital where their situation defiled treatment. On the third day, they gave up the ghost.

That was how this young man and his “Juliet” died. This “satanic couple” never knew they would end up this way.

No sermon is needed to say exactly where they will spend their eternity. The Bible says, ***“Flee from sexual immorality. All other sins a man commits are outside his body, but he who sins sexually sins against his own body” I Cor. 6:18.***

Another question is where can this act be perfected? It can be perfected not only at homes, but at backyard of the house, in the car or vehicle, in the beach, office and workshop.

It is a general belief among people in the western part of Nigeria that whoever have sex in his office or workshop invites spirit of liquidation into his business. It is called **“Okuta”** meaning “poor sale in business”. In fact, such people end up in penury due to self-affliction.

How can a Christian escape this? A Christian can escape this through self-control and being faithful to their marriage. Self-control means self-discipline. The book of **Proverbs 4:25** says ***“Let your eyes look straight ahead, fix your gaze directly before you”***, so that evil thoughts may not encompass your mind. By this ***“Do not swerve to the right or the left, keep your foot from evil” Proverbs 4:27.*** This is the reason Jesus Christ said, ***“If your right eye causes you to sin, gouge it out and throw it away”.*** **Matthew 5:29.** What this verse is saying is that one should apply discipline.

Couples should cultivate faithfulness in their marriage. The Bible says, ***“Marriage should be honoured by all, and the marriage bed kept pure, for God will judge the adulterer and all the sexually immoral, keep yourself free from the love of money and be content with what you have”.*** **Hebrew 13:5-6 .**

The effects of immorality among others include, children delinquency, untimely death, and loss of respect, late marriage and poverty. The Bible says, ***“Do not lust in your heart after her beauty or let her captivate you with her eyes, for the prostitute reduces you to a loaf of bread” Proverbs 6:25-26.***

SOUL TIE : - By soul tie we mean someone whose mind glued to a former lover or one that have questionable love for family members.

Many families are hunted as a result of this evil affair. As a person think of his or her former lover, divided loyalty and lust sets in. Soul tie happens consciously and at times unconsciously depending on the state of mind.

The best anti-dote against soul tie is to hold tight to your marriage. Those involved in soul tie pay visits and at times ask for help from their previous lover or loved one. The bottom line is that soul tie hunts them. There are cases when a man or a woman sees the children of his former boyfriend or girlfriend and say, ***“if we married, these fine children would have been mine”*** . This is a soul tie

statement.

It is a culture in a particular area of Nigeria where Mr. A and Mr. B can exchange their wives for a change of taste. This is improper. Also in Asia countries like China, it is not uncommon for families to marry each other. This is unbiblical, and is therefore wrong.

25. I thank you Lord for protecting my marriage, in Jesus name I pray. Amen.

CHAPTER SIX

CAN A CHRISTIAN DIVORCE?

To divorce means a break in a legal marriage between couples, thereby enabling them to live separately. It is an instrument of separation and a weapon of division. It is an arrow that snuffs life out of a happy union and a wreck to a once happy home.

God hates divorce, for it is contrary to his intention for marriage, which is, long and exclusive union. This made God to say ***“I hate divorce” says the Lord God of Israel,” and I hate a man’s covering himself with violence as well as with his garment” says the Lord Almighty. Malachi 2:16.*** Thus, divorce is an abomination, an institutional wreck and added value to sin.

Divorce is the physical product of satanic arrow, fired into the life of a couple. Spiritually, in every divorce suit, angels on guard are always unhappy, while the knock of hammer by a judge for eventual dissolution of marriage leads to wailing and mourning by angels because hell fire awaits such couple.

Satanic cord of divorce is wickedness and backsliding. This is the reason our daily prayers should include the rebuke of spirit of backsliding. Prophet Jeremiah said it all in his book, Jeremiah 2 verse 19; ***“Your wickedness will punish you, consider them and realise how evil and bitter it is for you”.***

Women who care for wealth should be careful because such wedding is susceptible to divorce. Their nature is, they forget past years they have with their husbands and fly away with newly found lovers.

There is this case of a woman with grown up children, who packed out of her matrimonial home to a young man who bought her a Jeep and a rented choice flat for her.

On hearing this, her Pastor called her for reconciliation to her real husband but she refused. Her complaint was that her husband cannot perform well on bed as expected. This being an abomination, in the church of God the woman left the church. A yoruba adage says ***“Aja ti o yio sonu kii gbo fere ode”***, that is a dog that will lost won’t hear the whistle of his master (the hunter). Christians should know that wealth is good but it shouldn’t be allowed to enslave them. Guess what happen at the end. The woman lost out in her new marriage.

The Old Testament regulated divorce while the New Testament strongly oppose it, except in cases of marital unfaithfulness. The light knot applied by Moses in respect of certificate of divorce was negated by Jesus Christ in the New Testament.

Don't break the marriage bond between you and your spouse because you became one flesh the day you wed. Malachi 2:15-16 says ***"Has not the LORD, made them one? Because he was seeking godly offspring so guard yourself in your spirit and do not break faith with the wife of your youth"***. By this your spirit, soul and body must unite with your spouse. On no account should divorce be entertained in your affair. Treat anyone who whisper divorce into your ears as a leper.

If divorce is given an opportunity, the church shall be a polluted arena of immorality. Thus, making the body of Christ polluted. Such defilement was observed in Jeremiah 3:1, ***"If a man divorces his wife and she leaves him and marries another man, should he return to her again? Would not the land be completely defiled?"***

Whenever one divorces, he or she plants evil seed for others to reap. This is so in that whoever marries a divorcee commits adultery thereby making the other party sin. The wages of sin is death while the penalty is hell fire.

Our Lord Jesus said in Mathew 5:32, ***"But I tell you that anyone who divorce his wife, except for marital unfaithfulness, causes her to become an adulteress, anyone who marries the divorce woman commits adultery"***

Marriage is a bond which must not be broken as long as both parties are alive. ***"For example, by law a married woman is bound to her husband as long as he is alive, but if her husband, dies she is released from the law of marriage"*** Romans 7:8.

I Corinthians 7:11 in its part gives no room for divorce at all. ***"A wife must not separate from her husband. But if she does, she must remain unmarried or else be reconciled to her husband. And a husband must not divorce his wife."***

Your baptism by immersion means you are wedded to Christ, while your marriage means you are married to God. By this, you must not venture into divorce because you are indirectly breaking your relationship with God. Never allow any battle consume your marriage.

The cause of divorce are many but chief among them is keeping bad company. ***"Bad Company Corrupts Character"*** says I Cor. 15:33. It is common among women to form company of insubordination. The Yoruba speaking people of Nigeria call them ***"egbe kini oko yio se"*** which literally mean, "what will my husband do"? They are always into one party or the other; one party today another ceremony tomorrow.

Divorce has evil trade mark of marriage inconsistency, confusion with ill-fated women who pack their baggage, back to their father's house. This is contrary to the Holy Bible, because Genesis 2:24 says ***"Therefore shall a man leave his father and his mother, and shall cleave unto his wife, and they shall***

be one flesh” . These “married returnees” are called **Ilemosu** in Yoruba speaking area of Nigeria. Because of their position as a divorcee, no respect is accorded them in public. They are exposed to immorality (adultery) and are victims of evil situation.

There is the fear of **“divorce multiplier effect,”** which hunts men from marrying children whose parents divorced. This is so because they entertain fear that such children may inherit such from their mother. As a result, girls from broken homes find it difficult to get husband. ***“If the foundation be destroyed, what can the righteous do?”*** Psalm 11:3.

Stop “rocking”, don’t endanger yourself. Strengthen your marriage with prayer, love, boldness, firmness, courage and wisdom. Wedding is for a day, marriage is for a life time!

CHAPTER SEVEN

WARFARE AGAINST SPIRIT HUSBAND AND SPIRIT WIFE

Spirit husband or spirit wife operates in the non-physical. It is spiritual to the core. No dowry is paid as bride price, nor did wedding take place between two of them. Power behind such marriage is demonic, it is not of God.

The primary motive of spirit husband or wife is to hijack and destabilize the marriage of his or her victim. They hijack stars and furious against matrimonial homes. They torment and destroy marriage. They are satanic agents that work against the commandment of God which says, stick to your spouse. They are prostitutes that don't receive payment for their acts.

Victims of such marriage consciously and at times unconsciously go into it without knowing the repercussion. There was a case of a lady who never knew she ignorantly entered into it. This happened one day as she served at a party. A middle aged man touched her buttocks and say **"Iyawo mi"** meaning, my wife. She laughed it over not knowing that she has entered into spiritual covenant. By then she was barely 12 years old. In later years when she was about 35 years of age, she was still searching for a husband to marry. When she went for deliverance, she was asked to pray a particular prayer point. *"Thou secret behind my late marriage and ill-luck in life be revealed unto me"* This, one prayer point is what she was to pray repeatedly for three days. She prayed it vigorously and got result same night.

That night she dreamt of someone who touched her buttocks as it happened some years back. On the following day, she told her deliverance minister, who eventually told her that she has a spirit husband. She prayed vigorously until she breaks the evil wedlock. Today she is a happily married woman.

Many, in their youth enter into covenant and if don't marry, either party may turn to hunt each other.

Spiritual marriage can also arise through acceptance of satanic gifts, ignorantly collected from unfriendly friends. The gifts are used as point of contact and covenant. The moment one receive such gift, spiritual bond is entered into, unknown to the innocent recipient. What the person will experience is that a strange power will come and make love with him or her in the dream.

Spiritual marriage with mermaid spirit is common while those with forest husbands are not left out. There was a case of a lady who was passing through the pang of late marriage and was advice to go for deliverance. In the process of her deliverance she shouted, "He is around, he is around" Alas, to the

amazement of people around, there appeared a dirty man holding a small bag in his hand.

On interrogation, he confessed to be the husband of the lady passing through deliverance and that he dwells inside an Iroko tree in a thick forest far away from the town. His hand bag was collected from him and was searched. To their amazement unimaginable things were found in it. At the end, the bag and its contents were burnt while he shouted in agony. He mysteriously left while the lady completed her deliverance.

The agony of it all was that the lady eventually got married, conceived, but lost her life on the day of delivery!

The effect of spiritual marriage is that it causes stir and confusion with trains of abnormalities in marriage.

These effects can be analyzed briefly as follows:

1. **Late marriage:** This is one of the commonest weapons used as an affliction on victims to rob them of marital settlement.
2. **Bareness:** Miscarriage, bareness and untimely death of the mother or the baby is a common feature of marriage troubled by spirit husband or spirit wife.
3. **Home break up:** Due to constant quarrel, harassment and embarrassment, a marriage tormented by spirit husband or spirit wife ends up in disarray.
4. **Evil Children:** Children raised in the course of a marriage afflicted by spirit husband or spirit wife, are exposed to danger of affliction which may end up as possessed children and miscreants in the society. Peace doesn't reign in such home but problems.
5. **Poverty:** Spirit husband or spirit wife are furious and never allow progress to reign in the life of their victims. They revenge and fight back by firing arrow of poverty and arrow of backwardness into the lives of married couples.

The question now is; how can a victim know when he or she is troubled by a spirit husband or spirit wife? The followings are symptoms that may occur.

i. Constant loss of money, even if it is well kept in the pocket or bag. Whenever you experience dramatic disappearance of money, spirit husband or wife is at work.

ii. Whispers that are not of Christ

iii. If you always find yourself in strange places like river belt, ocean or forest.

iv. If you once wedded in the dream, ever before you wedded in real life pray hard for God's revelation.

v. If you are constantly harassed with sex or romance in the dream, spirit partner is at work. The question is, what is the way out? Paramount way to get out of spirit marriage is willingness to leave or break such relationship. If you are not willing you can't get out of it. This is so, because there many house wives who

are queen of the coast with big position. Even if Jesus wants to heal, He will ask, what do you want me to do for you? If you are not willing he will leave you alone.

Another step that can be taken is to confess exact thing you are passing through to a man of God who will pray for you and give you right counsel. Lastly, you should go for deliverance, back it up with violent aggressive prayer, and dry fasting because it is a strong tie (covenant.)

CHAPTER EIGHT

CRUSHING MARRIAGE CRUSHERS

When problems arise in marriage, the right angle for approaching it is the **“try angle”**. Love without return is like a question without answer. There are good ships and there are bad ships, but the best ships are friendships of great depth, which is love.

Total loyalty to marriage is needed if you want it to experience the test of time. Apply wisdom when dealing with in-laws. Of all the laws marriages have to contend with, the most troublesome are usually the in-laws. They are punchers and marriage deflator. Their issues are always fragile. Handle it with care.

Never swing love from your spouse to your parents. There should be personified matters that need no in-laws interference. A Yoruba adage says, **“Gbogbo aso ko lan sa ninu oorun”** literally meaning “It is not all clothes we dry under the sun”. It simply means one should have secret.

When quarrel arises, never hurry and pack to your parent’s house or rush to register complaints with third party. What if they are dead, will you go to heaven and consult them? Marriage is a bond. This is a covenant that must not break. No one breaks a covenant without paying dearly for it.

The basic question and problem couples refuse to address is that, they both come from different background, tribe or race. By this, you cannot change his or her attitude overnight but apply wisdom, petition and understanding, **“Hatred stirs up quarrels, but love covers all offences” Proverbs 12:15.**

Husbands should at least listen to the voice of their wives, even if they think there is no sense in it. And to wives at home, no matter how golden your advice may be, do not nag. It infuriates men. Let him see reasons instead of shout and quarrel. Home is where you hang your heart.

Couples should be careful of anyone that come close to them. They should treat themselves as shears so joined that they cannot be separated, often moving in opposite directions, yet always punishing anyone who comes between them.

Marriages can break either through self-undoing or through unexplainable external influence. Whenever a marriage breakdown, evil effects do follow.

The byproduct of most broken homes are characterized by children of confuse broken heart, state of unhappiness, annoyance, pollution of mind, shake foundation, waywardness, academic deficit, abortion, hatred, suspicion and many others. Because of all these, children blame situations that led to the separation of their parents.

The root cause of broken home and disorderliness in marriage is inability to handle situation rightly as they arise and inability to study and adhere to earlier **30 GOLDEN RULES** discuss in the first chapter of this book.

In every situation, pray hard to counter every satanic attack against your home. Be at alert always, because marriage crushers are around, looking for marriage to devour. Beware, these evil lions may be your blood relation.

Take the case of a father In-law who inflicted barrenness in the marriage of his son through occult power. Immediately after the wedding of his son, his newly married wife do experience strange man having fun with her in the dream, unknowing to her that it was her father in law.

This happen for seven years as all efforts to have an issue failed, not until they come across a fire brand prayerful church. They were advised to go through deliverance which they did. On the last night of the deliverance, the strange man appeared to carry out his evil acts of love making. Holy spirit took perfect control when He cut the organ of the strange man. He screamed in the dream and die. News came from the village that this man died on the third day but confessed he was responsible for the barrenness of his son's wife. This evil father in law was defeated through Holy Ghost slap, angelic beating and divine judgment. I pray that any power causing sleepless night in your life shall see no peace in the name of Jesus. Amen.

Also there was a family who unknowingly employed the service of a scorpion possessed housemaid. Through her witchcraft power, she will change to a very big scorpion and coil around the baby in her care. The baby will cry and yell in the day, at around 12 O'clock till 4 O'clock daily. There was an experienced old woman who reported this issue to the mother of the baby. One day at exactly 12 O'Clock when the baby started her cry, her mother quietly came peeping through the window. Alas! What she saw was a very big scorpion that coiled round her baby. At the end, the woman quietly sends the maidservant away. What she applied here was wisdom because if the evil girl knew of this she will fight back. No wonder the Bible says ***"Through wisdom a house is built, and by understanding, it is established. By knowledge, the rooms are filled with all precious and pleasant riches"* Proverbs 24:3.**

Evil influence from In-laws with evil ambition is common nowadays. There is this case of a father in law who prepared charm meant to turn his Son-In-law into robot. Shortly before his evil visit, his Son-in-law went for counseling in one of the living churches where he was told to pack out of his present house quickly to avert danger ahead. This he did.

The father in-law arrived with his charm which the rule no rain or water should touch it. As he got to the old house he met new faces who told him that the old

occupant left a month earlier.

He was in this confuse state when rain suddenly started. He was wet from head to toe with his evil load. Since he flouted the warning he paid dearly for it, as he ran mad on the spot.

Anyone that wants to employ the help domestic servant should pray hard and ensure that they go for deliverance in a living Church. They are known to cause havoc in the home.

CHAPTER NINE

MOLD YOUR CHILDREN FOR BETTER FUTURE.

“Correct thy son, and he shall give thee rest; yea, he shall give delight unto thy soul” Proverbs 29:17 It is better to prepare children than to repair adult. By this, teach your children to associate with responsible people for, ***“He that walketh with the wise men shall be wise” Proverbs 13:20.***

Royal attention is given to precious gifts or else, if lost the pain will be much. So are our children. They need special care because they are gifts beyond price from God.

Fundamental answer to child mold and training is to seek wisdom from God. The Bible says ***“Where is the wise? Where is the scribe? Where is the disputer of this world? Hath not God made foolish the wisdom of this world? I Cor. 1:20.***

Parental care includes being a watchdog over the activities of our children. There was a case of a man caught in the act of robbery and was sentenced to death. On the day of his execution, he pleaded to see and pass an important message to his mother. His request was granted. As the mother came close to him, the condemned robber bites and chops off her ear. The robber shouted and said while he was young, his mother never corrected him for stealing.

Our home should develop children in the moral quality, principle and obedience, needed for good character. Everyone has Adamic nature (sin) and if not curbed may lead to murder, adultery blasphemy, defiance to God and hell fire. King David said in the Psalms, ***“Behold, I was sharpen in iniquity, and in sin did my mother conceive me” Psalm 51:5.***

We should know that the handwork of everyone judges him. No one is punished in hell for Adam’s sin. 1 Corinthians 15:22 says ***“For as in Adam all die, even so in Christ shall all be made alive”*** whatever a child lost by inheritance of the taint of Adam’s sin he gain back in Christ. God put certain deposit in a child, which by careful discipline, restraint and nurture develop to noble qualities. Without control, guide, discipline and influence for righteousness and God, every child in the world would turn out bad, wicked, unsocial and criminal.

Children should be brought up in the fear of God with instruction and correction as well as in prayer. Parents that prepare their children for heaven should know that punishment for sin and restraint is absolutely necessary at home.

THE STANDARD NEEDED

Keep watch over your children at all time they are like mosquitoes; the moment they stop making noise, know that they are getting into something. *The actions of some children today suggest that their parents embarked upon the seas of matrimony without a paddle.* Be careful of what you say around your children. They are like blotters: they soak it all and get it all backward.

Child discipline should not be frowned at when juvenile delinquents fill the jails, when homes for fallen girls are crowded, when teenage prostitutes are street crowds, when smoking, drinking, immoral criminal youths constitute greatest moral problems.

Parents stand in the place of God before their children to a remarkable degree as the Bible use human father to illustrate God's attitude toward His children. ***"Like as a father pitieth his children so the Lord pitieth them that fear him"*** Psalm 103:13. When ye pray say ***"Our father which art in heaven"*** said Jesus, Luke 11:2.

Parents should ensure that the advice and control children carry out should be harmless. Sound warning should be given to our children not to eat outside the home. A typical example is of a pupil who brought back home sweets and biscuits which he was served in school in a birthday party.

The fact is, the was demonic as it turned to thumb of human being when his mother searched his pocket the following day. On interrogation, the mother of the celebrant confessed that is how they initiate new members through gift. Colossians 3:20 says ***"Children obey your parent in all things for this is well pleasing unto the Lord"***. This moral brings long life; ***"That thy days may be long upon the land which the Lord thy God giveth thee"*** Exodus 20:12.

A prayerful, intelligent and discipline Christian home is a must to seek God. Ephesians 6:4 says ***"And, ye fathers, provoke not your children to wrath; but bring them up in the nurture and admonition of the Lord"***. Chastisement is approved in the Bible. When your child is wrong and refuses to take correction, spare not the rod.

RESULTS.

Family blessing is approved by God or otherwise, depending on whether or not the father controls his children. Abraham's wealth multiply because of God's trust in him. Genesis 18:17-19 says , ***"Then the Lord said, "shall I hide from Abraham what I am about to do? Abraham will surely become a great and powerful nation, and all nations on earth will be blessed through him. For I have chosen him, so that he will direct his children and his household after***

him to keep the way of the LORD by doing what is right and just, so that the Lord will bring about for Abraham what he has promised him” This buttress the fact that, for God to bless you, element of continuity and maintenance of wealth is essential.

On the other hand Eli, by all human standard save one, was a great and good man. But in the matter of his children, in restraining, correction and discipline, Eli was a failure. The entire family dearly pays for this. Eli and his children lost their lives same day while the family name was removed from priesthood. What a disgrace and incomplete mission? The reason is, his children made themselves vile, while he restrained them not. Child correction is fundamental to God.

IN THE HOUSE OF GOD

The moral value of children is extended to house of God in respect of leadership. Before a man can be made a Bishop, 1Timothy 3:4-5 says he must be ***“One that ruleth well his own house, having his children in subjection with all gravity; (for if a man know not how to rule his own house, how shall he take care of the Church of God)”***. It is known that disobedient children, unruly children, undisciplined children bring to naught the influence of a godly father.

THE GOAL AHEAD

The question now is how can good moral be established in our children? Punishment is a necessity and proper way to mold their character. The Bible approve whip as well. The Bible equally approve of this in Proverb 20:30, ***“The blueness of a wound cleanseth away evil; so do stripes the inward parts of the belly”*** As a blue bruise cleanses away evil from the character when rightly given, stripes do the same for the inward life, says the scripture. The choice is yours, afterward the Bible can be modernized. Is it so?

It is certain, children restrained and guided by parents learn to control themselves. It brings multiplier effects in wisdom, humility, honesty and growth. Proverbs 29:15 says ***“The rod and reproof give wisdom: but a child left to himself bringeth his mother to shame”***. The truth is further emphasised in verse 17 which says ***“Correct thy son, and he shall give thee rest; yea, he shall give delight unto thy soul”***.

Children not punished for sin at home naturally feels they can get with sin. Such children grow into adults without self-control, without fear of sin and without conscience. Do not leave your children to themselves; it is dangerous.

AT WHAT TIME?

How early can a child be given close watch, discipline or restrain? The answer is, parents should begin early discipline as possible. Certainly no good can be accomplished for punishing a child that is not mature in mind. Teach him how to differentiate good from bad before you apply discipline. Proverbs 19:18 says, ***“Chasten thy son while there is hope, and let not thy soul spare for his crying”***

Try and curb that proud and stubborn spirit of self-will every child has by nature. Not until attitude of submission is seen in a child, close watch is essential.

The next question is, how long should parent maintain strict discipline on his children? If Deuteronomy 21:18-22 is applied, a grown up child is accountable of his sin without age limit. Eli's family suffered eternal curse. Hence, age is no limit as long as a father and mother support their children.

A child that is young enough to eat at the father's table is young enough to be whipped. Frankly speaking, it will be rare to whip a child that is properly reared after he has grown up.

The rule is you should be close to your children after whip or scold. Call him or her at quite time, educate him/her about life and pray with him. By this he or she will feel at home.

BUILD A HOME OF MIRACLE

This is far better than whipping and scolding. The book of Proverbs 22:6 says ***“Train up a child in the way he should go, and when he is old, he will not depart from it”***

When he is old here means, even if the child is grown away from home, away from restraints of parents, he will never depart from the training he had as a child.

To accomplish this there should be Godly example day by day. Children should be taught to work not to be idle. Parents should introduce Bible study at home. They should teach them how to pray and raise prayer points. Win your children to Christ at early stage so that they may not be a nuisance in the society.

The bedrock to this, is discipline, obedience, love and righteousness. These should be displayed first by parents; emulated by children as they grow.

If as a parent you want basket of divine miracle in your home, be Christ like. The membership is free, no registration form or payment is needed. All you need to do is to read and obey the Word, as written in the Holy Bible, remove no verse in it to suit you.

Build the mind of your children to God through the teaching of the Bible; let them know that only Jesus can save.

CHAPTER TEN

ANGER, AN EVIL SWORD AGAINST MARRIAGE

Proverb 14:29 says, ***“He that is slow to wrath is of great understanding but he that is hasty of spirit exalt the folly”***. No wonder, Satan do use spirit of suspicion, wrath and anger as tools to pierce the joy of a happy home. Hence, for peace to reign in the family ensure to manage your anger before it manages you. The best way to be understood is to be understanding. Always cool your temper. ***“A person without self control is as defenseless as a city with broken down walls”***. Proverbs 25:28. Avoid quarrel and when you see it coming dodge it ***“Avoiding a fight is a mark of honour, only fools insist on quarrelling”***. Proverbs 20:3 . ***“Beginning a quarrel is like opening a floodgate, so drop the matter before a dispute breaks out”***. Proverbs 17:14.

Do not take swift action when angry and do not allow “strangers” into your marriage. Control your anger. When you see a married couple coming down the street, the one who is two or three steps ahead is the one that is mad ***“People with good sense restrain their anger; they earn esteem by overlooking, wrongs”***. Proverbs 9:11

Let happiness reign in your home for, ***“A glad heart makes a happy face: a broken heart crushes the spirit”*** Proverbs 15:13,

Causes of anger among spouse can be are traced to protection, finance, materials, affection for sex, unrealized marital expectation, irritating habit, wrong accusation, insulting spouse in the presence of people, undue interference from third parties, frustration and disappointments.

The effects of anger can be stated below as follows:

1. Anger doesn't go down well in marriage advancement; it brings destruction in relationship among spouse. This can be seen through shouts, fight, use of harsh language against each other and slamming of door. All these are avenue for Satan to operate. Avoid it.
2. Another vital effect of anger is existence of communication gap among spouse. By this, personal expression seizes while joy in marriage becomes sour. For this, Colossians 3:8 says ***“But now ye also put off all these anger, wrath, malice, blasphemy, filthy communication out of your mouth”***. Thus, complaints against each other, murmuring, criticism and incomplete answers like “I don't know” becomes popular among spouse.
3. Irrational behaviour and attitude becomes the order of the day. Whenever there is anger, spouse become irresponsible without knowing. Such situation may lead

to divorce, low performance, destruction of properties and wrong training of children. There was a case of a wife who out of minor misunderstanding breaks electronic gadgets in the home which takes them years to acquire. The aftermath effect is always regret and wastage. Avoid it.

4. Anger leads to hatred among spouse and children. As peace is always far from a disorderly home, so is the spirit of progress and happiness. Proverbs 12:16 says ***“A fools wrath is presently known, but a prudent man covereth shame”*** Most men do develop hatred for their children after having misunderstanding with their mother. This shouldn't be, for Satan uses it as an opportunity to plant disharmony and seed of destruction in the foundation of such marriage.

5. Anger can lead to costly mistakes. Eccl. 7:9 says ***“Be not hasty in your spirit to be angry, for anger resteth in the bosom of fools”*** . Take the case of a husband who out of anger and disagreement with his wife tore her certificates thereby making her immobile.

6. Anger has an unseen evil hand and control over whoever it seizes. Anger is time madness. It makes one a nuisance and object of ridicule before neighbours. Imagine a man who beat up her wife naked. He do not only sin, but lose respect as well. Crown of disgrace and shame awaits him because his wife is the bone of his bone and flesh of his flesh.

7. The end product of most anger are regret and guilt. Any negative step taken as a result of anger is expensive. Avoid stupidity, for it shows that your level of maturity is below expectation.

8. Anger disrupts prayer life in the home. Ineffective prayer life leads to spiritual bankruptcy and retards spiritual growth. When “fire” seizes in the prayer life of couples, “satanic maggots” have safe play in their marriage, thereby giving room for anti-Christ spirit to control and ruin the marriage.

9. Revenge takes control of couple's heart if anger is allowed. Revenge is always a product of unforgiveness. No wonder, Psalm 37:8 says ***“Cease from anger and forsake wrath: fret not yourself in any way to do evil”*** Vengeance must be avoided because it widens gap among lovers.

10. The most dangerous of these effects is untimely death, Researchers have argued that avoidance of anger brings peace of mind while its existence brings sleeplessness, headache, heart attack, skin rashes, stomach disorder and undue fatigue.

Our Lord Jesus who said forgive your neighbour that offends you seventy times seven knew of this. Anger is demonic, no wonder Proverbs 27:3-4 says ***“A stone is heavy and the sand weighty, but a fool's wrath is heavier than them both. Wrath is cruel and anger is outrageous, but who is able to stand before envy?”***

CHAPTER ELEVEN

HOW TO OVERCOME ANGER

“How wonderful it is, how pleasant, when brothers live together in harmony!

Psalms 133:1. The Holy Bible tells us that, prosperity, joy, abundance and breakthrough comes to limelight where peace reigns. Learn to control your anger for ***“Those who control their anger have great understanding; those with a hasty temper will make mistakes”*** Proverbs 14:29. ***“A fool gives full vent to anger, but a wise person quietly holds it back”*** Proverbs 29:11.

It is glaringly clear that couples should not trade with anger. Anger is a wicked companion, a sad fruit and a blockage to progress. Hence, take the following steps if you want anger out of your life.

1. **TREAT ANGER AS SIN** . If you don't want to ruin your Christian testimony, ruin your home or make your spouse perpetually unhappy and at the end destroy your relationship with God, treat anger as sin. Try as much as possible to avoid the following statements. “When I am angry I become uncontrollable”, “My anger is not good, never pray to see me in action”. “I am gentle, but people know I get angry if cheated”. Such statements portray unbrokenness.

Anger doesn't go alone, it goes with sin. This is why Apostle Paul said in Ephesians 4:26 that ***“in your anger do not sin”***. The problem is, you hardly go angry without sinning.

2. **APPROACH COUNSELLOR OR TRUSTED FRIENDS:** A great deal of carefulness must be exercised when one is counseled by a friend or church counselor. The golden rule is that one should be guided by Holy Spirit. Such counselor should have the following qualities: maturity, knowledge of marital affairs, he or she should love and care for progress, have a stable and happy home, be prayerful and God fearing.

Counseling is essential because ***“Where there is no guidance, a people falls, but in an abundance of counselors there is safety”*** Proverbs 11:1. The privilege of good counseling is that anyone rightly counseled shed away sorrow and build sense of accountability. Due to the love your counselor have for you, he can intercede on your behalf and meditate between you and your spouse so that love might reign supreme in your family.

3. **ALWAYS ALLOW POSITIVE THOUGHT TO CONTROL YOU:** While your mind is the remote control of your anger; your thinking controls your behaviour and character. Never expect, error free character, your spouse is a human being. Expect variation; give better suggestion on improvement, not

through fight or anger. Your spouse is not a servant but a companion who have the right to do things the way he or she wants.

Persuasion brings better option to Christian home than anger and use of abusive words. Don't forget that whenever your spouse cool down and obey you in time of anger, he or she may repeat same in future. This means that anger doesn't solve problem, you are only a temporary winner.

4. HAVE A FORGIVING SPIRIT: Forgiveness is fundamental in every relationship among spouse. If you refuse to forgive your spouse, you will build up tension and if not checked may explode and affect your home. Instead of nursing grudges against each other face the issue, discuss them so as to forgive and forget.

5. PRAY AND FAST: Prayer opens closed doors while fasting quickens it. Prayer and fasting is twin weapon used by our Lord Jesus as a means of controlling situations. If you know your weakness and desperately cry to God, He will surely answer you. The key to this is persistent. Spouse who is always angry should keep asking for strength to overcome it until he or she receives. The simple rule is, keep asking, seek till you find and keep knocking till the door open.

6. GO FOR DELIVERANCE: Many times our problems have spiritual foundation. These can be traced to demonic influence or possession. Whenever one is possessed by anger, demon can influence him or her to do evil above normal sense. Deliverance is needed by anyone who realises that he or she is under the influence of evil chains.
